Passes orders regarding the question of re-arranging the contents of the —.

ORDER NO. G. 5139-95—P. & S. 52-30-1, DATED 12TH NOVEMBER 1930.

The question of re-arranging the contents of the *Mysore Gazette* has been under the consideration of Government for some time past. A Committee constituted in June 1926 consisting of the marginally noted gentlemen to go into this and other cognate matters relating to the publicity arrangements of Government have recommended that the *Mysore Gazette* may continue to be published in six parts as heretofore but that the contents of Parts I to IV may be re-arranged as follows:—

1. The Chief Secretary to Government.
2. The Publicity Officer to Government.
3. Mr. B. Puttaiya, Superintendent, Government Printing.
4. Mr. D. V. Gundappa.

Part I should contain all important Government Orders, including reports of Committee and other documents of public interest, which the Government desire to publish for general information.

Part II should include only Notifications regarding appointments, postings, leave, etc.

Part III should comprise three sections, (i) containing Notifications by Government at present included under Section (ii) of Part II, (ii), Notifications by Heads of Departments, and (iii) Notifications relating to Local Self-Government.

Part IV should be set apart for Legislative Measures and Rules thereunder.

The Committee are also of opinion that the publication in the Gazette of Municipal Bye-laws, Proceedings of District Boards, Municipalities, etc., should be discontinued.

This proposal is endorsed by the Committee on Government Printing and Stationery who have also suggested that departmental advertisements should be as short as possible and that trivial items, e.g., notices calling for tenders involving small amounts need not be printed in the Gazette.

Government are pleased to approve of the above recommendations.
